

The Center for Quality Long Term Care  
**Community for Seniors**

Golden Age Care Center delivers quality long term care in a warm, personalized manner. Ours is a flexible, interdisciplinary approach to health care, centered around caregiver compassion delivered in a comfortable, home-like setting. We serve the health care needs of all patients through a full spectrum of extended care services. Our team of health care professionals tailor programs to meet each patient's specific needs. In this way, we ensure the best possible care for each and every patient. The Continuum of Health Care Services. The Golden Age Care Center serves patient needs through multiple levels of care, including skilled and intermediate care, as well as respite care.

*Golden Age Skilled  
 Nursing & Rehab Center*

Locally Owned and Operated • Committed to Quality and Community  
 1915 S. 18th St., Centerville, Iowa • 641-856-2757

*Maple Grove  
 Senior Living*

Maple Grove Senior Living provides a safe and intimate environment for friendship to flourish in our unique Mission style surroundings.

Delicious and nutritious meals are served family style to further accentuate the comforts of home.

All services at Maple Grove Senior Living focus on assistance. Our role is not to 'do for', but to 'assist with' each tenant's identified needs.

Working with you and your family, our Director will establish an individualized plan that addresses your unique needs and preferences.

- We provide a cozy, comfortable home-like setting.
- Your apartment is yours to decorate as you please.
- Enjoy the many planned activities to enrich your life. You are invited to join our community today.
- We are State Certified
- A provider for Medicaid Waiver Services and HUD Housing Assistance
