

CAMPING

ALWAYS A GREAT FAMILY AFFAIR

Camping at Rathbun Lake is always a fun getaway for any group of family & friends. There are nine campsites available to campers at Rathbun Lake. These campsites are available for either short or long-term stays and many of the sites include electric hook-ups and water hook-ups. Most of the parks also have available boat ramps and rest-rooms/showers for the use of campers. The parks with campsites are:

- Bridgeview Park
- Buck Creek Park
- Island View Park
- Prairie Ridge Park
- Rolling Cove Park

- Buck Creek Marina Park
- Southfork Marina & Campground Park
- Honey Creek State Park

In 2006 Honey Creek State Park opened four new camping cabins. The camping cabins have no water in them but are located near the north shower facilities overlooking the valley. The cabins are equipped with a bunk bed, a full or twin futon, dining table with four chairs, microwave, small refrigerator, A/C and heat. There are picnic tables outside and a fire ring with a grill on it. Campers will need to bring their own bedding. Rent for these cabins will be \$35 a night and \$210

a week. To rent the cabins, campers need to get on-line to www.reserveia.com or call 1-877-IA-parks. There will be a small reservation fee for all cabins.
