

# Claremore Daily Progress Wedding Announcement Form

Please complete this form and return to the Progress office before the ceremony, if possible, or immediately after the wedding. Remember that the importance of the story, as news, decreases with time. The sooner the information is available to the newspaper, the better. Wedding stories that are submitted more than six weeks after the ceremony will be used, but the date of the wedding WILL NOT be included.

A photograph will be printed with the story. Please make arrangements for a photograph for the paper. Your entire portfolio of wedding photographs will probably not be available to you early enough to accompany your wedding story. Ask for helpful hints about suitable photographs.

Identify all people by the city or town of residence. Please take extra care in spelling names correctly. Print or type names.

If you have questions regarding this form, your wedding story or a photograph, please call the Progress, 341-0546. It is necessary to confirm, either in person, or by telephone, that the wedding took place as scheduled. List the name of at least one person to contact, the contact's relationship to bride or groom and a daytime phone number.
