YOUTH OF THE WEEK

Youth of the Week

Each week the Derry News will highlight a youth or group of youths who are making a difference in their school or community. Every Friday in the Nutfield Spectator column we will feature a Youth of the Week.

We need parents, teachers, coaches, neighbors and friends to nominate young people to be featured. What are we looking for? Any student-aged youth is eligible, from kindergarten through grade 12. Efforts can be great, such as the second-grader who made sure a first-grader found his or her way through the lunch line. Teens who volunteer at the library, at the Soup Kitchen or any other organization could be featured. Any kindness, accomplishment or endeavor, academic, religious, or civic, would qualify a youth for inclusion in the series.

Featured students must live in one of the eight towns we cover: Derry, Londonderry, Auburn, Chester, Hampstead, Hudson, Sandown or Windham.

Nominate a student today by submitting this form: print and mail it to us; or send us the information via e-mail: jhuss@derrynews.com.
