

## HOW DO I PAY FOR SERVICES?

When purchasing services a combination of the following funding sources may be used.

### County Human Services

County Human Services is the access point for many county, state and federal programs such as Food Stamps, Medicare Savings Programs, Medicaid, waived programs, vulnerable adult reporting, and adult foster care.

### Consumer Directed Community Supports

This program gives older adults and their family caregivers greater control, flexibility, independence and responsibility over the services they receive which enable them to continue living at home.
