*"Our Passion For Excellence is the Key to Enhancing the Lives of the Seniors We Serve."*

### **Independent Living**

Our Independent Living community makes it fun and easy to get to know your neighbors through scheduled events, activities and casual get togethers.

### **Assisted Living**

Prior to moving in, one of our nurses will meet with you and your family to design a program just for you.

### **Memory Care**

For residents with Alzheimer's and related conditions, we'll develop a unique program and plan activities based on your individual lifestyle and interests.

Keystone Communities also provides an educational program and support group for friends and family. Relating to the needs of our residents' loved ones is as important to us as serving our residents with kindness, compassion and excellence.
