Mahaska Drug: Oskaloosa's locally-owned pharmacy

Mahaska Drug is a locally owned pharmacy. Their commitment to their customers is the driving force behind this hometown drug store. They are a business leader in the community.

Mahaska Drug has been a mainstay on the ever-changing business scene in Oskaloosa. Located along Oskaloosa's A Avenue business corridor, the store at 205 North E Street provides spacious and close-to-the-entrance parking for shopping convenience. They have an experienced and dedicated staff to serve their customers.

Filling prescriptions and helping customers with all of their health care needs is the most important part of Mahaska Drug's daily business. The store's drive-up window provides a convenient way to pick up prescription drugs, even in inclement weather. Customers can have prescriptions filled during the day, and also evenings and weekends.

Mahaska Drug has wide aisles and superb lighting to assist shoppers in locating just the right product to fit their need. A knowledgeable staff is available to answer customer questions or help locate a product. A generous selection of vitamins, dietary supplements and diabetic supplies gives Mahaska Drug the edge in providing quality products to their customers. They are always willing to try to order any special item a customer needs.

Mahaska Drug has added a new kiosk to the Photo Department. They offer a wide-range of digital and film processing. The store can produce prints, business cards, 8-by-10 inch photo prints and greeting cards. They have the ability to reproduce old family pictures that have aged or faded. They can also make color photos into black and white, or sepia (antique).

Mahaska Drug has added a computerized Wizard Mat Cutter in its Framing and Matting Department. The Wizard Mat Cutter allows them to make many types of special cuts and intricate designs in the mats to professionally finish any matting project. They offer a full-range of custom matting and framing options.

Hawkeye, Cyclones and Panther fans take heart — Mahaska Drug has continued their expansion of collegiate gifts. Clothing, clocks, mugs, and dish ware with your favorite Iowa college team are among

the numerous items available.

Mahaska Drug also has expanded its scrapbooking area just in time for graduation. They have the supplies for graduates of Oskaloosa, North Mahaska, Eddyville-Blakesburg, Ottumwa, Twin Cedars, Pella and Pella Christian schools to preserve their high school memories. They also have all the decorating supplies needed for the graduates to celebrate graduation. Signs, banners, table service, plates, napkins, cups are available in a variety of school colors. The store handles party supplies for many occasions and special events. Special orders are welcome.

For the crafters in the family, Mahaska Drug offers a large selection of cross-stitch, scrapbooking, knitting, beading, crocheting, painting supplies and much more.

If you want to give someone a fun, happy memory for their special day, the Card Department now features Musical cards and Yakety Sacks — bags that play music. The department also has American Greetings cards. Some of the specialty cards available are Helen Steiner Rice; Emily Matthews; Coffee House; Christian Pathways; Twisted Whiskers; Pets, Pets, Pets; Share Your Style; a 99-cent line; and Share-A-Laugh.
