

Drillers ready to kick off season

By **Eddie Cervantez**
Hispanic Triangle News

The Beaumont Drillers indoor football club held a press conference at the Beaumont Convention and Visitors Bureau building to announce their upcoming 2008 season.

Under new ownership and management, the Drillers hope to put a top-notch football team on the field. After last year's uncertainty with the National Indoor Football League, the Drillers are joining the American Professional Football League.

Placed in the tough South

Division, they will face the likes of the Conroe Storm, Fort Worth Regulators, Florida Knights (Bradenton), and Wichita Falls Diablos.

The Drillers will play a 14-game season with their seven home games being played at Ford Arena.

Drillers media relations agent J. Ronald Oswalt said this is going to be better than the previous years. One difference, he said, is a new logo and colors.

Another difference will be affordable tickets. A season family pack for \$99 includes four tickets for seven home games.

Bryan Blake was introduced as the general manager and head coach of the Drillers. Blake is no stranger to indoor football and is happy to be back in Southeast Texas. His resume includes head coaching stops in Beaumont (NIFL), and the Katy Copperheads (NIFL/Arena-2).

Blake was ecstatic with his new role, wearing two hats. He said the Drillers will be more involved with the community as well as local schools.

The season will kick off in April. For general and ticket information, call 409-839-4475 ext 102.

Memorial Titans Varsity Cheerleaders win pancake stacking contest. Lakiera D. Mouton and Jennifer Lynn Frazier accept the Capitol One check from Manager Tammy Boyd at the grand opening celebration of the new Capitol One facility on FM. 365 and Central Mall.

Anna Herrera and Rebecca Anzaldua receive \$200 from Capitol One Teller Makiva after winning a door prize during the grand opening celebration.
