BEAUMONT — Shopping, a tree lighting and a Mercedes will make holidays bright as Junior League of Beaumont members present another edition of A Very Merry Main Street Market.

Activities — running from Thursday, Nov. 29, through Saturday, Dec. 1, at the Beaumont Civic Center — include Early Bird shopping, cocktails and prizes galore, an annual holiday luncheon with a style show and a Gingerbread House Workshop.

Proceeds help the Junior League of Beaumont with a variety of community projects.

“The market is fast becoming a holiday event that all of the Golden Triangle looks forward to,” Jennifer Leonard Smith, Main Street Market chair, said. “We are very excited about this year’s market. We have put together a beautiful atmosphere that will provide everyone with an elegant and enjoyable shopping experience and the opportunity to support the many worthy projects of the Beaumont Junior League.”
