### ON THE COVER

**A GRANDFATHER OF EIGHT**, Fred Cozad, Sr. portrays our jolly grandfather on the cover of this issue of Triangle. The Groves resident is a retired welder and now spends his time working in his wood shop at his home. The handy man was excited to meet 4-year-old Malachi Tankersley. The tike took to being a model quite easily and enjoyed meeting his stand-in grandfather for the photo shoot.

Triangle thanks both Cozad and Tankersley for being a part of our Holiday Edition.

Our thanks also go out to Brandy Johnson of Rose Hill for allowing us the use of her facility for the shoot.
