this year or in high school, but from day one."

Alvarado High School will graduate 198 seniors this year, but though some classes can be summed up with clichés and worn-out sayings, the members of the class of 2008 will be remembered long after they graduate, Superintendent Dr. Chester Juroska said.

AHS senior counselor Haven Isclaw said she'll remember the class for its broad array of activities and feats.

"People say it every year at this time, but I can honestly say this is one of the very best classes that has ever come out of Alvarado ISD," Juroska said.

"They're a very diverse group with a wide variety of interests," she said. "We had a lot of those different areas represented in the top 10 percent. They're real go-getters."

The class of 2008 is very mature, well behaved, respectful, and probably more academically focused than most classes, Juroska said, making them stand out above the rest.

This year more than 20 students were honored with scholarships.

Juroska's son-in-law taught at Alvarado Middle School and told him he remembers the class well.

Leading the class academically this year were valedictorian Layne Kight and salutatorian Megan Billings.

"He remembers that class being very, very good," Juroska said. "They've always been good, not just

Class president was Amanda Buckley. Billings served as class vice president, and secretary was Katelynn McKnight.

In honor of their years at AHS, the senior class chose "It's So Hard to Say Good-bye to Yesterday," by Boyz II Men as its class song.

This year's graduation ceremonies were held at 7 p.m., May 28, at the Wilkerson-Greines Activity Center, 5201 Folwell Blvd. in Fort Worth.
