Primary Care

If you don't have a family doctor, schedule an appointment today with one of Clark Memorial Hospital's four primary care offices:

• Clarksville • East Jeffersonville • Henryville • Charlestown

Each center offers check-ups, immunizations, preventive care, onsite x-rays and lab tests, plus treatment for everything from routine illnesses to more complicated conditions.

Urgent Care

When you're not feeling well and can't see your regular doctor, Clark Memorial Hospital Urgent Care - Sellersburg provides the best immediate care around, seven days a week. We're close, too, at Hunter Station in Sellersburg.

Emergency Care

When it's really serious, Clark Memorial Hospital's Emergency Department is your choice for close, convenient care 24/7.

For all the care your family needs, count on Clark Memorial Hospital. We put the "care" in health care.
