Goodwill BridgePointe Services . . . Recycling Since 1930.

When you donate to Goodwill, you are helping keep Southern Indiana clean!

Reduce

We all have items we no longer need. Instead of throwing those items away where they will end up in our landfills, donate them to Goodwill BridgePointe.

Reuse

Your unwanted items are given new life in our Goodwill stores; in return the sales of donated goods fund services for children and adults with disabilities and disadvantages.

Recycle

Items that cannot be sold in our stores are recycled and the revenue is also used to fund services.

Through our recycling efforts, last year Goodwill BridgePointe diverted 3.4 million pounds of textiles, computers, shoes and books from our local landfills.

Donate Your Old Computer!

Goodwill BridgePointe is now accepting computers at no cost to the donor. **Any brand, any condition.**

You'll be protecting the environment, helping others and you get a tax break!
