

CHANGE IS POWERFUL.

CHANGE—We crave, run after, and long for it. Whether it's the new kitchen cabinets or the latest car model, change always thrills us. Here at Northside we understand that everyone's heart beats for change. We've also discovered that our only hope of curing this enormous appetite for change is found in the mystery of Jesus Christ.

CHANGE A LIFE TODAY—yours or someone else's. We want both to happen. If you need help with your struggles (divorce, sexual addiction, counseling, grief, abuse, alcohol, want to be connected to people, questions about God, etc.) we want to help bring freedom. Maybe you know who Christ is but struggle to let Him lead. We've all been there before, so we'd love to have you join our community and live beyond yourself.
