

A STELLAR COLLEGE VALUE

Princeton Review named Texas State University-San Marcos one of *America's Best Value Colleges* for 2007. The list ranks the top 150 public and private institutions nationwide based upon excellent academic programs, generous financial aid packages and tuition costs. Texas State joins just three other Texas universities on this prestigious list – Rice University, Texas A&M University and the University of Texas at Austin. As our 110,000 alumni can attest, Texas State provides students with a stellar academic experience.
